INFORMATION DISCLOSURE STATEMENT

Sir:

It is requested that the information identified in this statement be considered by the Examiner and made of record in the above-identified application. This statement is not intended to represent that a search has been made or that the information cited in the statement is, or is considered to be, material to patentability as defined in 37 C.F.R. 1.56.

Attached with this statement is a Form PTO/SB/08B. The Examiner is requested to initial the form and return it to the undersigned in accordance with M.P.E.P. 609.

Also attached with this statement is a copy of each cited document as required by 37 C.F.R. 1.98. If, however, this application was filed after June 30, 2003, copies of U. S. Patents and U. S. Patent Application Publications are not attached. (See O. G. Notice of August 5, 2003.)

Some of the references have been split into parts due to the very large size of the files.

This statement should be considered under 37 C.F.R. 1.97(b) because it is being filed before the mailing date of the first Office Action after the filing of a Request for Continued Examination under 37 C.F.R. 1.114.

Fee Authorization. The Commissioner is hereby authorized to charge any fees that may be associated with this communication to Deposit Account No. 50-0869 (PUMA 1006-3).

Respectfully submitted,
